### A message from the MSO Board of Directors

The winter games were a huge success with 275 athletes participating in six events. One hundred more than last year! The cancellation of the snow sports was a little disappointing but we are working on promoting and scheduling for them next year, with the help of ski resorts throughout Michigan.

We would like to take this opportunity to thank our sponsors especially Howard and Howard and Best Buy. With their help MSO is able to maintain the program in these tough economic times and keep the costs as low as possible for you the athlete.

A thank you also goes to all the volunteers who were so helpful. We enjoyed working with them.

Last but not least a thank you to you, the athlete, who gets up every day, maintains a healthy life style and participates in the Michigan Senior Olympics.

The 2010 Summer games will be July 7-21. This year is a qualifying year for you to continue to the National Senior Games in Houston, Texas in 2011. We encourage you to ask a friend to join MSO and your family to support you and come out to cheer you on.

For more information on the games view the website [www.michiganseniorolympics.org](http://www.michiganseniorolympics.org).

### Pangborn Design Creates MSO's New Look!

The MSO office has received many comments on the MSO new look – the Winter T shirts. They were all positive and we are happy that they were so well received. Pangborn Design was responsible for designing the shirt using bright colors and they made them fun! The founder of the company Dominic Pangborn, a well known evolutionist artist in his own right, designs for several Fortune 500 companies, has his own fashion label and finds time to sit on several charitable boards. The summer athletes will also experience the new look of the MSO shirt designed by Pangborn Design. We are so lucky to have Pangborn Design on board with MSO!
